All GMC and Chevrolet Medium Duty Dealers are able to offer owners/lease holders of C4500 and C5500 model series vehicles an alternative 3-year / 36,000-mile warranty in place of the base 2-year / Unlimited mileage warranty. The alternative warranty is designed for the low-mileage user who would rather have coverage for an extra year.

To apply, designated dealer personnel should access the “**DELAYED AND EXTENDED WARRANTY PROGRAMS**” function that is located under the **SERVICE** and **BUSINESS ADMINISTRATION** tabs in **GM DEALERWORLD**. Additional information and an application form for the customer to sign can be found on www.gmmediumduty.org located under the major tab, **SALES PROGRAMS**, and then select **WARRANTY** function. Also posted on the website is a “How-to apply” document. (Light Duty Dealers, which are limited to selling the C4500 product, may contact the GM Medium Duty Business Center for program details and assistance – 1 800 633 4863, prompt 1.)
